

**STATS FOR  
GENDER.ORG**

---

*The District of Columbia has three and a half times more people who identify as trans than any State in the US, per head of the population.*

---

A Williams Institute survey [1] found that 2.77% of the population of DC identified as trans – more than three and a half times as many as Hawaii, which (at 0.78%) had the highest proportion of trans people of all fifty States.
